Excellent Visibility for Your Business
Support For Local Young People
Just \$2.30/Day

The Seaway Surge Baseball Club is this area's competitive baseball program. We offer young men and women, ages 5 to 21, an opportunity to develop their athletic skills in competition against some of the best ball players in Ontario.

More importantly, we work to develop their leadership, social and team building skills in a competitive environment.

This year over 500 games will be played by Surge teams.

In July over 1000 ball players, and their families will come to our area for the Seaway Shootout Tournament.

Other leagues and private tournaments will use the baseball diamonds over the summer.

These people, many of your clients and potential clients, will see your billboard!
